

TRAINING SUPERVISOR

The Training Supervisor of Mid-Ohio Psychological Services, Inc. will engage in training psychology predoctoral interns in providing mental health services to clients of this agency. Mid-Ohio Psychological Services, Inc. provides the inhabitants of Franklin and Fairfield Counties and surrounding areas a comprehensive range of services for the prevention, intervention, diagnosis and treatment of mental disorders.

1. The Training Supervisor will be administratively and clinically accountable to the Clinical Director.
2. The Training Supervisor is responsible to initiate and maintain the Psychology Predoctoral Internship's membership in relevant oversight organizations.
3. The Training Supervisor will serve as Chair of the Internship Selection and Training Committee; and in collaboration with other members of the Committee, is responsible for the recruitment and selection of psychology interns.
4. The Training Supervisor will facilitate communication with the psychology intern's home institutions regarding the intern's placement while at the agency.
5. While the Training Supervisor may not directly supervise all psychology interns; he or she is responsible to ensure the integrity of the Psychology Predoctoral Internship training program by ensuring the supervision experience meets the requirements for the State of Ohio and the Association of Psychology Postdoctoral Internship Centers, including the completion of the intern's registration requirements of the State of Ohio Board of Psychology by the intern's supervising psychologist.
6. The Training Supervisor will provide face-to-face clinical supervision to supervisees under their direct supervision to review cases, discuss diagnoses, treatment interventions, and professional development of the intern. The frequency of these meetings will comply with the requirements of the Ohio State Board of Psychology and the Association of Psychology Postdoctoral Internship Centers

7. The Training Supervisor is clinically responsible for the cases of the psychology intern under his or her direct clinical supervision. To ensure adequate oversight of cases treatment plans, case notes, and written correspondence regarding client welfare will be reviewed.
8. The Training Supervisor is responsible for organizing and coordinating the didactic training of interns as part of the Psychology Predoctoral Internship Program.
9. The Training Supervisor will services as the Program Coordinator with Ohio Psychological Association and be responsible for maintaining the agency's CEU provider status. The Training Supervisor is responsible for the identification of training needs of clinical staff of the agency, and the integrity of agency provided trainings. The Training Supervisor will then work with the Administrative/QA Coordinator to secure the resources needed to conduct necessary trainings
10. The Training Supervisor will perform other duties as assigned within the scope of clinical and supervisory duties.

Requirements: Active license in the state of Ohio as a Psychologist

Salary Range: \$10.00 - \$60.00 per hour
