WORK EXPERIENCE

Site Supervisor

Mid-Ohio Psychological Services, Inc.

March 2004-present

Columbus Ohio

Helped establish Franklin County branch of a non-profit community mental health agency providing psychological services to children, adolescents, and adults. Supervise staff and oversee daily operations of branch agency.

Mental Health Clinician

Mid-Ohio Psychological Services, Inc.

November 1996-present

Lancaster, Ohio

Provide mental health treatment to clients presenting with a variety of mental health issues, including mood, conduct, and personality disorders and abuse/neglect victimization and perpetration using individual, group, and family treatment modalities. Provide family reunification counseling in sexual abuse/perpetration cases. Program and facilitate group therapy of child/adolescent male and female sexual offenders, and adolescent female sexual abuse victims. Administer intelligence and personality testing to children and adults and interpret results. Conduct psychological evaluations of children and adolescents, specializing in behavioral disorders and sexual aggression/offending. Consult with Children's Services, foster care networks, and juvenile court systems regarding treatment recommendations. Have aided in conducting monthly quality assurance reviews for maintaining compliance with Ohio Department of Mental Health rules and regulations.

Graduate Teaching Assistant

Ohio University

September 1998-July 1999

Athens, Ohio

Taught Human Relations 410 to undergraduates at Ohio University's Athens and Chillicothe campuses. Responsible for course organization, presentation, and student evaluation for classes ranging from 10 to 28 students. Course content included communication theory and skills, and relationship theories and skills.

Intake Screener

Ross County Children's Services

December 1995- December 1996

Chillicothe, Ohio

Screened incoming referrals of child abuse and neglect. Conducted interviews of clientele and provided crisis intervention services.

Investigator

Ross County Children's Services

November 1991-August 1995

Chillicothe, Ohio

Conducted investigations and assessed risk of child abuse and neglect. Defined problems and recommended appropriate action. Provided crisis intervention services. Collected data and wrote reports. Corresponded and communicated effectively with the community, clientele, law enforcement, and the court system. Participated in staff development activities and service review procedures.
