

MAY 2009

MAJOR UNUSUAL INCIDENTS

There was one MUI reported during the month of May. The first incident occurred on 05/26/2009 when an employee of MOPS was involved in a car accident while conducting agency business. There were no clients in the car at the time of the accident. The employee received medical attention after returning home. This incident was not reported to the Fairfield County ADAMH Board due to their being no client involvement.
