

## **APRIL 2009**

### **MAJOR UNUSUAL INCIDENTS**

There were three MUI's reported during the month of April. The first incident occurred on 04/07/2009 when client #06033103 was taken to Fairfield Medical Center by their case manager due to having suicidal thoughts and acting aggressively towards staff. The client was evaluated and Fairfield Medical Center and released to home. This incident was not reported to the Fairfield County ADAMH Board due to there being no involvement by the police.

The second incident occurred on 04/09/2009 when client #02083108 was injured while unloading personal items from a case manager's vehicle. The client was transported by paramedics to Fairfield Medical Center for a head laceration that required stitches, the client was released to go home after treatment. The MUI report was completed on 4/16/2009 and reported to the Fairfield County ADAMH Board on 04/20/2009. The delay in sending the report to the ADAMH Board was due to a weekend.

The third incident occurred on 4/24/2009 when client #06033103 was transported from home by Lancaster Police due to reporting suicidal ideations to their therapist. The client was assessed medically and psychiatrically and released to home. The incident was reported to the Fairfield County ADAMH Board on 04/29/2009.
