

MARCH 2010

MAJOR UNUSUAL INCIDENTS

There were three MUI's reported during the month of March. The first incident occurred on 03/03/2010 when client #091210D1 became abusive to a parent and caregiver during a session. The caregiver called police. This incident was not reported to any ADAMH Board, due to our agency not having direct involvement in the police presence.

The second incident occurred on 03/10/2010 when client #08053003 contacted the agency after an alleged suicide attempt. Agency staff contacted 911 for a squad to the client's home and remained on the phone with the client until it arrived. This incident was reported to Fairfield County ADAMH Board on 03/11/2010.

The third incident occurred on 03/17/2010 when client #01081002 became ill while in the agency's waiting room. Agency staff contacted 911 for a squad to the agency. The client was transported to Fairfield Medical Center. The incident was reported to the Fairfield County ADAMH Board on 03/25/2010.
